# RESOLUTION OF ZONING ORDINANCE AMENDMENT RECOMMENDATION

WHEREAS, the Common Council of the City of Fort Wayne, Indiana, on May 15, 1984, referred a proposed zoning map amendment to the City Plan Commission which proposed ordinance was designated as Bill No. Z-84-05-10; and,

WHEREAS, the required notice of public hearing on such proposed ordinance has been published as required by law; and,

WHEREAS, the City Plan Commission conducted a public hearing on such proposed ordinance on May 14, 1984;

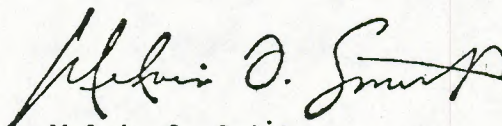

NOW THEREFORE, BE IT RESOLVED that the City Plan Commission does hereby recommend that this ordinance be returned to the Common Council with a DO PASS recommendation based on the Commission's following "Finding of Fact":

- (1) the grant will not be injurious to the public health, safety, morals, and general welfare of the community;
- (2) the use or value of the area adjacent to the property included in the rezoning will not be affected in a substantially adverse manner;
- (3) the need for the rezoning arises from some condition peculiar to the property involved and the condition is not due to the general conditions of the neighborhood;
- (4) the strict application of the terms of the zoning ordinance will constitute an unusual and unnecessary hardship if applied to the property for which the rezoning is sought; and,
- (5) the grant does not interfere substantially with the comprehensive plan adopted under the 500 series of the metropolitan development law.

BE IT FURTHER RESOLVED that the Secretary is hereby directed to present a copy of this resolution to the Common Council at its next regular meeting.

This is to certify that the above is a true and exact copy of a resolution adopted at the meeting of the Fort Wayne City Plan Commission held May 21, 1984.
